General Medical and Surgical Hospitals Medical and Diagnostic Laboratories Offices of Physicians Outpatient Care Centers

Top Employers In Region

Duke University First Health UNC Health WakeMed Womack Army Medical Center

CCCC Career Community

Students interested in Health Sciences like to help people feel better. They can work independently, but prefer to work in groups or teams. They are detail-oriented, compassionate, and think critically to solve problems. They work well in stressful situations and do not get queasy around blood or bodily fluids. Graduates find jobs working in medical or wellness environments.

Occupational Statistics

Median Salary: USA \$81,350

Median Salary: NC \$77,480

Median Salary: Region \$82,210
